Publications

Peer-reviewed scientific articles: >400 original articles and >20 review articles.

ORCID number: 0000-0002-0994-0184

H-index (highest number of peer review articles having at least the same number of citations):

- H-index 82. Sum of citations 47,705 (Google Scholar, 11 August 2020)
- H-index 65. Sum of citations 24,628 (ISI Web of Science; 14th September 2020)

Scientific awards and honours

- The Schering-Plough Research Award (2000)
- Grete Stampe's Grant for research in allergic diseases (2013)

Scientific focus areas

Allergic and immunological diseases. Diabetes. Cardiovascular disease. Mental diseases. Population-based epidemiology. Genetics. Clinical epidemiology. Registry-based research. Biomarkers. Micronutrients (Vitamins D and K, iodine, salt).

Supervision of PhDs/postdocs

4 postdocs and 20 PhD students (18 finished and 2 active).

Selected international relations

- PI of the project 'Identifying risk factors of allergy and asthma by using genetic biomarkers: a Mendelian randomization approach' based on data from the UK Biobank resource: <http://www.ukbiobank.ac.uk/2016/05/professor-allan-linneberg-research-centre-for-prevention-and-health-denmark/>
- The MORGAM project: <https://www.thl.fi/morgam/>
- Received in 2015 a grant as PI from the European Union's Horizon 2020 programme under the Marie Skłodowska-Curie Actions; "Omics phenotyping of endocrine disease in the general population"; http://cordis.europa.eu/project/rcn/195473_en.html. The project is a result of a longstanding collaboration with the Dep. of Clinical Biochemistry, the University of Greifswald, Germany.
- CARTA consortia, University of Bristol, UK: <http://www.ncbi.nlm.nih.gov/pubmed/26538566>
- Part of the Danish Hub of the Human Biomonitoring for EU project (HBM4EU), Horizon 2020 Programme, Contract No. 733032 HBM4EU.

Management experience

>20 years' experience with research management and administration, as well as leadership of both academic and non-academic staff. PI of several large population-based studies. Director at Center for Clinical Research and Prevention (as of 1 January 2018) and leader of 100+ employees including a broad range of health research disciplines. Several courses in leadership, e.g.

- 'Research Management Course', Copenhagen Business School, CBS-SIMI Executive, Søren Barlebo Rasmussen (2011)
- 'Leader of leaders', The leadership development program of the Capital Region of Denmark (2015- 2016)
